Lots of comedy, music and surprise!!

Works in almost any school and library setting!

Easy to arrange - just e-mail: magicmanbrad@cableone.net or phone 208-362-5560

Once again, Brad Hatcher presents an all new and all different motivational assembly program made especially for elementary school & library audiences. After years of presenting successful programs all over Idaho and Western states, he launches an exciting new reading assembly program based on literature and book characters created by Dr. Seuss. In **A Cat and A Hat and Green Eggs and Jam**, Brad will present eight routines that evolve around Dr. Seuss books and book characters.

In one routine, one Red Fish and one Blue Fish each magically become Two Fish. In another, students will assist in finding the hidden Seuss character. Brad shows a wacky Seussical invention to get rid of messy sticky Oobleck, and transforms Mullberry Street into Horton the Elephant. Students watch in amazement as magical events take place. Dr. Seuss's words will literally fly right out of a book! As always, the routines will be light and fun, with a lot of comedy and a lot of audience participation.

Brad brings solid educational objectives into his program. Students will hear him discuss concepts of vocabulary building, spelling, fiction identification, reading genres, and plot and character analysis. Mostly, they will so truly enjoy being whisked into a magical Seussical world, that they are bound to run to the library eager to devour more Seuss books.

Celebrate Dr. Seuss and his magical stories!

Bring **A Cat and A Hat and Green Eggs and Jam to your school this year!**

Educational Objectives:

Pleasure Reading increases your vocabulary.

Re-reading leads to sustained interest and deeper understanding.

Friends should help friends, because that's what makes friendship.

When you make a promise, stay true to your word.

Treat others with respect, no matter what their appearance.

Don't let pride prevent you from seeing your mistakes.
